Randy,
Below is the breakout of costs. I have added 10% for contract analysis, supplies, and EPA travel to be on safe side

Contract Analysis - \$250,000 (includes isotech and Shaw)	
Contract Drilling, logging, labor, contract travel, ODC, etc -	\$997,742
Supplies - \$66,000	

EPA Travel - \$100,000

Please let me know if you have any questions.
